APU Corner Bracket with fabric TOP-TEX with plaster level bar

The APU Corner Bracket with fabric TOP-TEX is suitable for thin and fine layer plasters.

This plastic Corner Bracket is equipped with outer welded on fabric parts of each 12.5 cm wide and a fabric projection provided at one end of the bracket lengthwise. The peak shaped and grooved plaster level bar simplifies applying the reinforcement layer and forms an exact, flush corner.

Available packed units:

25 bars of 2.00 m = 50.00 m
